

No.	School	Title of Project	Results
A1	Anderson Primary School	Helicopter Mods	Certificate of Participation
A2	Ang Mo Kio Primary School	Our Eggy Business	Certificate of Commendation
A3	Canberra Primary School	Do Plants Need Vitamins To Germinate Better?	Certificate of Participation
A4	Canberra Primary School	Making Of A Simple Water Filter	Certificate of Commendation
A5	Chij St Nicholas Girls' School (Primary)	Jello Or Gel-No?	Silver
A6	Chongfu Primary School	Effects Of Storage Temperature On The Lifespan Of Dry Cells	Bronze
A7	Evergreen Primary School	Does The Presence Of Water Plants Help To Decrease The Frequency Of Water Charge?	Silver
A8	Holy Innocents' Primary	Cultivation Of Rice Through Hydroponics	Bronze
A9	Hougang Primary School	"Speedy Compost"	Bronze
A10	Marsiling Primary School	Loofah Miracle Water	Certificate of Commendation
A11	Punggol Primary School	Soil Fushion	Certificate of Participation
A12	Rosyth School	Strides Apart	Certificate of Participation
A13	Sembawang Primary School	The Reliability Of Food Labels On Vitamin C Content On The Packaging Of Fruit Juices	Bronze
A14	Wellington Primary School	Long Live Bloom!	Silver
A15	Yishun Primary School	Snowy Magnet	Silver
B1	Ang Mo Kio Primary	Panadol Relief	Certificate of Commendation
B2	Canberra Primary School	Running, Skipping And Hula-Hooping: Which Will Burn The Highest Amount Of Energy?	Bronze
B3	Canberra Primary School	Effects Of Waste Water From Washing Machine On Plants	Certificate of Commendation
B4	Chij St Nicholas Girls' School (Primary)	Fun With Energy	Silver
B5	Holy Innocents' Primary School	Making Paper From Sugarcane Fibre	Silver
B6	Marsiling Primary School	Liquid Conductivity Tester	Certificate of Commendation
B7	Marsiling Primary School	Triple Trouble! It'S Bubbles!	Gold
B8	Naval Base Primary School	See Vitamin C!!!	Certificate of Commendation
B9	Qihua Primary School	"Lap-It-On"	Bronze
B10	Rosyth School	The best dish-washing detergent	Bronze
B11	Sembawang Primary School	Effects Of Glucose On The Freshness Of Cut Flowers	Certificate of Commendation
B12	Wellington Primary	The Great Light Of Life!	Certificate of Commendation
B13	Woodlands Ring Primary School	Germ Attack: To Investigate Which Part Of The Home Environment Has The Highest Amount Of Microbial Diversity	Certificate of Commendation
B14	Yishun Primary School	Sauce A Coin	Certificate of Commendation

No.	School	Title Of Project	Results
C1	Canberra Primary School	Paper Mache As Aquarium Filter	Certificate of Commendation
C2	Canberra Primary School	Using Paper Mache Filters As Fertilizers?	Certificate of Commendation
C3	Holy Innocents' Primary School	Using Egg Shells As Eco-Friendly Fertiliser	Gold
C4	Marsiling Primary School	Longest Paper Aeroplane	Gold
C5	Naval Base Primary School	Portable Shower	Silver
C7	Rosyth School	Repelling Ants With Natural Products	Certificate of Commendation
C8	Sembawang Primary School	Break It Down	Bronze
C9	Wellington Primary School	Happy Basin	Certificate of Commendation
C10	Woodlands Ring Primary School	Fluctuating Ph Of Ecopond	Bronze
C11	Xishan Primary School	The Best Tissue Water "Suction"	Silver
C12	Yio Chu Kang Primary School	Reaction Time	Silver
C13	Yishun Primary School	Diaper Power	Bronze
C14	Yishun Primary School	Alternative Fertilizers	Bronze
D1	Canberra Primary School	Using Coffee Maker Residue As Plant Fertilizer	Certificate of Commendation
D2	Canberra Primary School	Effectiveness Of Beetroot Pigment As Ph Indicator	Certificate of Commendation
D3	Marsiling Primary School	Effect Of Temperature On Vitamin C In Fruit Juices	Bronze
D4	Marsiling Primary School	Roots Grow Downwards Into The Soil – Is It Due To Gravity Or Water?	Silver
D5	Northland Primary School	Hope For The Asthmatic	Bronze
D6	Qihua Primary School	Escalator Safe Pram	Bronze
D7	Sembawang Primary School	Multi-Purpose Umbrella	Certificate of Participation
D8	Sembawang Primary School	Effects Of Presence Of Air And Light On Rate Of Decomposition Of Apple And Banana Slices	Certificate of Commendation
D9	Woodlands Primary School	Dna Extraction Made Simple	Certificate of Commendation
D10	Woodlands Ring Primary School	Good Riddance Stubborn Food Stains	Certificate of Commendation
D11	Xishan Primary School	The Best Oil Breaker	Certificate of Commendation
D12	Yio Chu Kang Primary School	Yummy Ice Cream	Certificate of Participation
D13	Yishun Primary School	Bone Softener	Certificate of Commendation
D14	Yishun Primary School	What Curd?	Certificate of Participation

No.	School	Title Of Project	Results
E1	Ang Mo Kio Primary	Snow White'S Beauty Secret Revealed!	Silver
E2	Ang Mo Kio Primary School	Hard On Caffeine	Certificate of Commendation
E3	Compassvale Primary School	Sharp@Bin	Bronze
E4	Evergreen Primary School	To Measure The Freshness Of Fruits By Using The Density	Bronze
E5	Evergreen Primary School	Fruit – The Source Of Energy	Gold
E6	Holy Innocents' Primary School	Water Purification	Bronze
E7	Marsiling Primary School	Rosy Vitamin C	Gold
E8	Mayflower Primary School	"Recommended By Most Dentists"	Certificate of Commendation
E9	Mayflower Primary School	Which Is The Best Eraser For The Optical Answer Sheet?	Silver
E10	North View Primary School	Living Water	Certificate of Commendation
E11	Sembawang Primary School	The Best Brand Bread	Certificate of Commendation
E13	Xishan Primary School	Effect Of Temperature On The Life Span Of Bubbles	Bronze
E14	Yishun Primary School	Effects Of The Colour/ Wavelength Of Light On The Chlorophyll Content Of A Leaf	Silver
F1	Ang Mo Kio Primary School	Super Troopers	Bronze
F2	Compassvale Primary School	Marker Naturale	Silver
F3	Evergreen Primary School	To Find A More Effective Method That Will Preserve Fresh Fruits By Reducing The Water Content	Gold
F4	Evergreen Primary School	To Explore The Possibility To Use Fruit Juice As A Natural Cleaning Agent For Oil	Silver
F5	Holy Innocents' Primary School	Methods Of Removing Tarnish	Silver
F6	Marsiling Primary School	Fibre Fever	Gold
F9	Sembawang Primary School	Fresh Juice Vs Packet Juice	Certificate of Commendation
F10	Sembawang Primary School	Mind Your Salt!	Certificate of Commendation
F11	Woodlands Ring Primary School	Effective Sunscreen Lotion! Away Sunburns!	Bronze
F13	Xishan Primary School	How Does Electricity Work?	Bronze
F14	Yio Chu Kang Primary School	Are You Drinking Vitamin C	Certificate of Commendation
F15	Qihua Primary School	Clamp-Up Baby Chair	Bronze

No.	School	Title of Project	Results
A1	Admiralty Secondary School	Investigation on factors affecting the use of Nail Art	Gold
A2	Anderson Secondary	Organic dishwashing powder using rice husk ash	Gold
A3	Ang Mo Kio Secondary	Removal of onion smell with fruit juices	Certificate of Commendation
A4	Bowen Sec Sch	Homemade Fire Extinguisher	Silver
A5	CHIJ St Nicholas Girls' School	Bagging the Environment	Silver
A6	Christ Church Secondary School	Determining the level of pesticides' concentration in different types of Kailan and Caixin (vegetables)	Bronze
A7	Deyi Secondary School	To Investigate The Effect Of Everyday Drinks On E.Coli	Silver
A8	Evergreen Secondary School	A portable calorie calculator	Certificate of Commendation
A9	Hougang Secondary School	Effects of different genre of music on blood pressure.	Certificate of Commendation
A10	North View Secondary School	A safe way to keep our homes ant free	Bronze
A11	Mayflower Secondary School	The power of bread	Certificate of Participation
A12	Montfort Sec School	To investigate the conditions required to retain amount of Vitamin C in fresh and packaged orange juice	Bronze
A13	North Vista Secondary	Detergent Killer	Certificate of Participation
A14	Punggol Secondary School	Effect of Music on Fish Rearing	Certificate of Commendation
A15	Yio Chu Kang Sec School	A study on how the usage of earpiece will affect the range of audible frequency	Certificate of Commendation
B1	Anderson Secondary	Testing for presence of gluten in different kinds of flour	Silver
B2	Ang Mo Kio Secondary	No more smelly feet!!	Silver
B3	Christ Church Secondary School	Recycling Cooking Oil as Soap	Gold
B4	Compassvale Secondary School	Fruity Tooty Bacteria Exterminator	Silver
B5	Deyi Secondary School	To Investigate If Honey Has Anti-Microbial Properties That Could Inhibit The Growth Of E.Coli	Bronze
B6	Evergreen Secondary School	To study the factors that affect the magnitude of induced current.	Certificate of Commendation
B7	Holy Innocents' High School	Making Paper from natural fibres.	Gold
B9	Marsiling Secondary School	Air Pollution	Certificate of Participation
B10	Mayflower Secondary School	Effects of Homemade Fertilizers on green bean plants	Bronze
B11	Montfort Sec School	Investigation on the role of foliar trichomes in the growth and survival of Tillandsias (air plants)	Certificate of Commendation
B12	North Vista Secondary School	Bread Mould	Bronze
B13	Punggol Secondary School	Study of optimum conditions to grow chilly plants	Certificate of Commendation
B14	Yio Chu Kang Sec School	How does your pulse rate change with your BMI	Certificate of Commendation
B15	Yishun Town Secondary School	CO ₂ growth Booster	Bronze
No.	School	Title of Project	Results
C1	Anderson Secondary	Poor man's ginseng, rich plant's health – Effect of codonopsis pilosula on capsicum annum	Gold
C2	Ang Mo Kio Secondary	Natural paint	Silver
C3	Bowen Secondary School	Surface tension and detergents	Certificate of Participation

C4	Christ Church Secondary School	Investigating potato electrochemical cells.	Gold
C5	Deyi Secondary School	Investigating on herbal preservative on meat	Bronze
C6	Fuchun Secondary School	Effects of apple, pear and banana on the ripening of bananas.	Silver
C7	Greendale Secondary School	To determine which fruit contains highest amount of Vitamin C	Silver
C9	Mayflower Secondary School	"No more smelly"	Certificate of Commendation
C10	Montfort Sec School	Effectiveness of SPF	Bronze
C11	Nan Chiau High School	Alternative fabric softeners	Certificate of Commendation
C12	North Vista Secondary School	Fruity Power	Certificate of Participation
C13	Seng Kang Secondary School	Picky Ants	Certificate of Participation
C14	North View Secondary School	Effect of coffee powder and spices on ant	Certificate of Commendation
C15	Yishun Town Secondary School	The remote control magnetic cleaner	Bronze
D1	Anderson Secondary	Go Plants Grow!	Bronze
D2	Ang Mo Kio Secondary	SMS blockers	Silver
D3	Bowen Secondary School	Sunblocking ability of baby lotions	Certificate of Commendation
D4	Christ Church Secondary School	Acidity of pineapples	Bronze
D5	Deyi Secondary School	To investigate if E.coli can travel from roots of local vegetables to edible parts of the plant	Certificate of Commendation
D6	Maris Stella High School (Sec)	Investigation on how different types of bread will affect the growth of mould.	Certificate of Commendation
D7	Marsiling Secondary School	Industrial air pollution	Bronze
D8	Nan Chiau High School	Ant-busters: Can different types of chilies keep ants away?	Certificate of Commendation
D10	Seng Kang Secondary School	Effects of Alcohol on Plant Growth	Certificate of Commendation
D11	Serangoon Secondary School	An investigation on the effectiveness of different brands of laundry detergent with antibacterial properties on bacteria growth	Bronze
D12	Woodgrove Sec Sch	To determine if certain natural plant stimulants will improve the growth of bayam plant.	Silver
D13	Xinmin Secondary School	Creating the optimum agar medium for growth of orchid seedlings	Gold
D14	Yio Chu Kang Sec School	Auto-Man Vacuum Cleaner	Gold
D15	Yishun Town Secondary School	Alternative preservatives	Gold
No.	School	Title of Project	Results
E1	Admiralty Secondary School	Investigation on the use of insoles to alleviate specific foot problems	Bronze
E2	Ahmad Ibrahim Secondary School	Natural anti UV soap	Silver
E3	Anderson Secondary School	Investigations on physical chemotherapeutic changes	Bronze
E4	Ang Mo Kio Secondary	Natural dye	Bronze
E5	Bowen Secondary School	Which diaper has the best absorbency	Gold
E6	Canberra Sec School	Healthy Chocolate	Bronze
E7	CHIJ St Nicholas Girls' School	The Strongest Bridge Design	Silver
E8	Christ Church Secondary School	Relationship between sugar content and alcohol concentration in the production of fruit wine	Silver
E9	Compassvale Secondary School	Step and Throw	Certificate of Commendation

E10	Evergreen Secondary School	Construction of a magic can that can roll back on its own.	Bronze
E11	Hougang Secondary School	A study of sterile conditions for improvised lamina flow cupboard	Gold
E12	Maris Stella High School (Sec)	Effects of sunlight and algae on colour pigments of fishes	Certificate of Commendation
E13	Marsiling Secondary School	Solar House	Certificate of Commendation
E15	Yishun Town Secondary School	Effect of drinks on growth rate of plants	Certificate of Commendation
F1	Ahmad Ibrahim Secondary school	Determination of the effects of glucose on mental alertness	Silver
F2	Ang Mo Kio Secondary	To recycle paper using sugar cane fibre	Silver
F3	CHIJ St Nicholas Girls' School	The most effective recycled material that can be used to absorb pet's urine and remove its odour!	Gold
F4	Evergreen Secondary School	Hot or Cold	Certificate of Commendation
F5	Holy Innocents' High	Soap making	Certificate of Commendation
F6	Hougang Secondary School	Effects of different toothpastes on stained teeth	Gold
F8	Mayflower Secondary School	Germ Busters	Bronze
F9	Montfort Sec School	What causes whiteness in ice & is it possible to get clear ice	Certificate of Commendation
F10	Nan Chiau High School	Window wipers	Bronze
F11	North Vista Secondary School	Candy Chromatography	Silver
F12	Punggol Secondary School	Effect of Light Output from Monitor on Human Eyes	Certificate of Participation
F13	Seng Kang Secondary School	Which colour helps us to keep cool?	Certificate of Commendation
F14	Serangoon Secondary School	An investigation on the effectiveness of different brands of baby laundry detergent with antibacterial properties on bacteria growth	Bronze
F15	Yishun Town Secondary School	Water purification in aquarium	Bronze
No.	School	Title of Project	Results
G1	Ang Mo Kio Secondary	Cultured milk ice cream	Bronze
G2	Ang Mo Kio Secondary	Miracles of Chitosin	Bronze
G3	DEYI SECONDARY SCHOOL	Creating comfortable foot wear using recyclable materials	Silver
G4	Maris Stella High School (Sec)	Surviving 101-Stress-Free Educational Board Game	Gold
G5	Mayflower Secondary School	Investigating the effects of common soft drinks on bacterial growth	Certificate of Commendation
G8	Punggol Secondary School	What is the best condition of light to study?	Certificate of Commendation
G9	Seng Kang Secondary School	Correlation between pH of drinks and tooth decay.	Certificate of Commendation
G10	Serangoon Garden Sec School	Comparison of concentrations of cations and anions present in samples of water obtained from school water cooler, school canteen tap water, domestic	Silver
G11	Serangoon Secondary School	An investigation on whether oranges from different countries contain different concentrations of ascorbic acid	Bronze
G12	North View Secondary School	Environmentally friendly packaging	Bronze
G13	Yio Chu Kang Sec School	Disposable hair trapper	Gold
G14	Yishun Town Secondary School	Bloom!	Silver
